

# New content

Good morning everyone!

I recently added two things to the website.

A little article about Podcasts in the Interesting Stuff section and another website on grammar in the Website section.

Enjoy and have a good day!

# Hello kids

Hello there!

Welcome to your English class on the web.

I want you to use this website for a little extra English in your life!

An important part of this website is the Students section. You can check it out to know what your homework is this week or take a look at what we do in class.

I will also post ideas for books, movies, videos, websites and other interesting links.

Enjoy the website and come from time to time to see if we posted something new!
