Time to take a look at what we do in grade 2!

A good thing to do first is to go review what you did in grade 1.

1)

Today is Monday

Very simple story and song we use to learn days of the week and some food.

Here is another version of the song we sing in class: Song – Today is Monday.

Reminder: When you write the days of the week, always use a capital letter: Monday, ~~m~~onday

This story is very complete with tons of new food, days of the week and a few action words.
